The College of Charleston’s Office of Parking Services has partnered with the offices of New Student Programs, Public Safety, and Residence Life to provide convenient parking for families of students moving out of residence halls for Winter Break. Students are not required to move out all of their belongings for this break; however, we want to provide reasonable parking options to accommodate moving out items students wish to take with them for the holidays.

Be advised that **street parking will be strictly enforced** by The College of Charleston and/or the City of Charleston. Parking on streets and in areas that are not designated as parking areas restricts traffic flow and creates safety concerns for both pedestrians and other vehicles. Leaving someone to stand guard at a vehicle parked on the street OR parking on the street with hazard lights flashing **will not prevent that vehicle from being ticketed**.

**SURFACE LOT AVAILABILITY**

The following selected surface lots will be available for move-out (dates and times provided below):
- **G Lot** - close to Buist Rivers; please note that you cannot park in a space marked “handicap accessible” or “Residence Hall Director”
- **BS Lot** - close to Bull Street historic houses; please note that you cannot park in a space marked “RHD”
- **I Lot** - close to McConnell; CofC marked spaces only
- **P Lot** - close to McConnell and Wentworth St historic and fraternity houses
- **WP Lot** - close to Warren Place and Kelley House; also fairly close to Berry and McAlister; please note that you cannot park in a space marked “Service Vehicle” or “RHD”
- **W Lot** - behind 298 & 300 Meeting St; please note that you cannot park in a space marked “RHD”

We will not be ticketing the selected surface lots listed above during the following timeframes ONLY:
- Wednesday, 12/4 from 5 PM until 9 PM
- Thursday, 12/5 from 5 PM until 9 PM
- Friday, 12/6 from 5 PM until 9 PM
- Saturday, 12/7 from 12 PM until 5 PM
- Sunday, 12/8 from 1 PM until 5 PM
- Monday, 12/9 from 5 PM until 9 PM
- Tuesday, 12/10 from 5 PM until 9 PM
- Wednesday, 12/11 from 5 PM until 9 PM
- Thursday, 12/12 from 5 PM until 9 PM

These are the only surface lots that will be available, and they will only be available during the timeframes provided above. Exams do not officially end until Wednesday, 12/11/2019; students and employees with permits for these lots will still need access to their spaces while other students are moving out. Even if a lot appears to have several available spaces, **it will be ticketed**; the only exceptions are in the lots listed above during the designated timeframes.

For exact locations of selected surface parking lots, please consult the [College of Charleston - Parking Map](#). Printed copies of the map are available at Parking Services or Public Safety.
GARAGE PARKING

For students moving out when there will not be surface lot availability, or for students whose residence halls are closest to the PG or WG garages, we will offer complimentary two-hour garage parking for one vehicle per student. Please read the following information very carefully:

• Upon request, students will be provided with one 2-hour parking voucher for either PG Garage or WG Garage. PG Garage is convenient to Warren Place, Kelly House, Berry, and McAlister. WG Garage is convenient to the George St Apartments, the Wentworth Street historic and fraternity houses, McConnell, and Craig.
• Garage parking vouchers will be available at the Parking Services office beginning Tuesday, 12/3/2019, and must be picked up during business hours (Monday - Friday; 9 AM – 4:30 PM). A valid Cougar Card must be presented at pick-up.
  • Public Safety will have a limited supply of garage parking vouchers if you need to pick one up after 4:30 PM.
• Garage vouchers may be redeemed at almost* any time of day between 12/4 and 12/12; see below for more details. Garage vouchers will represent the only parking option offered by the College to students who move out on a weekday prior to 5 PM.
  • Unfortunately, vouchers cannot be redeemed when a cashier is not on duty.
  • *The PG Garage is not staffed 24/7, but there is usually a cashier on duty on weekdays between 7 AM and 7 PM and on weekends between 9 AM and 5 PM. WG Garage is staffed until at least midnight each night.
• There is a strict two-hour time limit on the parking garage vouchers, so please have all belongings packed and ready to go before you begin moving them out. If time parked exceeds two hours, you will be responsible for paying the additional fees.
• You must retain the ticket you pulled upon entering the garage in order to use the garage voucher. You must present both your ticket and the voucher to the cashier upon exiting the garage. Vouchers are not intended for multiple uses and must be surrendered to the cashier in order to validate.
• The GG garage on St Philip Street next to CVS is convenient to the George St Apartments, Liberty, and Craig. However, this is a City of Charleston garage, so we cannot offer free parking in this garage. Students and their families are welcome to park in this garage, but they will have to pay the full amount due upon exiting the garage.

For exact locations of these garages, please consult the College of Charleston - Parking Map. Feel free to call Parking Services at 843.953.7834 or email parkingservices@cofc.edu if you have any questions.
